

NV Moonbounce Safety and Operating Instructions

Pitchburst

***Supervision by a responsible adult is required at all times.**

Place folding chair underneath the basket.

Have player one sit in the chair underneath the basket.

Use provided hose adapter to make filling balloons easier. Fill balloon to desired level, tie off, and place in basket with the flapper resting on top of the balloon. Other suggestions for balloon fillers include slime, pudding, confetti....use your imagination. Be prepared to clean up for non-water fillers.

Be sure the path is clear between the player and the backboard.

The throwing player should stand at an age appropriate distance from pitchburst with balls provided. **NEVER USE OTHER TYPES OF BALLS!**

Throw balls, one at a time attempting to strike the bullseye to “Splursh” the sitting player.

Spectators must stand back at least 5 feet from throwing player.
